

WELCOME TO

KETTLES

The regeneration of the 1950 Farsons Brewery was all about celebrating our proud industrial heritage and past.

For over 60 years, the great copper vessels standing above you were the heart and soul of this grand brewery, faithfully brewing all of Farsons' beer.

It has been our dream to convert and open up this space to the community and transform it into an inspiring meeting place for friends and family.

Kettles offers a soulful menu that takes inspiration from our great love of food and beer, infusing some of our favourite brews into a variety of wholesome and delicious dishes.

It is our privilege to warmly welcome and host you here today.
